LAND TRUST
FOR
TENNESSEE

COMMUNITY DAYS

AT THE LAND TRUST'S
GLEN LEVEN FARM

From 9 a.m. to 1 p.m. CT one Saturday a month, we host Community Days at Glen Leven Farm so you can explore all 64 acres of this unique Nashville landscape for free.

Visitors can use the field guide to hike the Nature Trail, see what's blooming in the Education Garden, or check out the themed activity each month to learn more about Nashville's natural and historic character. We partner with local organizations so you can learn about a different theme each month. Make sure to say hi to the miniature donkeys before you leave!
